Safe Chain Solutions Purchases Building, Prepares to Expand

The purchase allows Safe Chain to expand office and warehouse space.

Cambridge, MD, February 16, 2016 – **Safe Chain Solutions**, a **Benchworks** Company, announced recently that it has purchased the building at 822 Chesapeake Drive in Cambridge, Maryland. The modern, award-winning facility is the site of Safe Chain headquarters. It is located on 6.29 acres in the commercial district and consists of 15,000 square feet of office, distribution and warehouse space.

The purchase of the building is part of the expansion plan for Safe Chain and offers the possibility of building out additional space as necessary. Expected growth in the form of new business will likely result in job creation in the areas of logistics coordinators, accounting, IT and account managers.

Safe Chain President Charles Boyd said, “Purchasing our headquarters in Cambridge, Maryland, gives us a core foundation where we can continue to expand the business. It allows us to plant our roots in this growing community while also increasing and enhancing the services that we provide to our clients.”

Safe Chain is a rapidly growing distributor serving customers worldwide through its two divisions: Logistics Solutions and Healthcare Solutions. Headquartered in Cambridge, Maryland, the company has a sales office in Miami as well as Annapolis, Maryland, and a digital development office in Nagpur, India.
